You would absolutely refuse to do without modern machinery in your factory or on your farm and your reasons for refusing would be excellent.

The checking account is a modern system of business and just as much a convenience as any piece of machinery.

The CITIZENS' SAVINGS BANK of OWOSSO invites you to open an account and will be glad to explain the plan to you.

And Again—

There are others and some of them can be bought for less money. There's the rub.

The Only Way

to compare FANCHON FLOUR with lower priced brands is to ignore the lower priced one and compare the bread you can make with

FANCHON

with bread made from the highest priced flour you know of. This is a severe test, as there are many flours higher priced than

FANCHON

but we know what we're talking about when we say it cannot be beaten.
